

## BOLRA Full Cutoff Top Bollard

The BOLRA series' modern aesthetics come standard with a field adjustable wattage and CCT select options, as well as an on/off photocell for enhanced energy efficiency. The full cutoff heads are Dark Sky friendly and eliminate uplight. They are ideal for pathway lighting in commercial and residential applications.

<sup>1,2</sup> Where applicable, refer to spec sheet for further details.

### ■ Power Selectable and CCT Selectable or dedicated

An all-in-one LED security light solution offering ultimate versatility, with the ability to change the color temperature (3 000/ 4 000/5 000 K or 2 200K) as well as the lumen packages to meet the needs of a variety of projects and applications. An ideal solution for reducing stocking inventory
