		LED SLIM STRIP WITH ROUND LENS	LED SLIM STRIP WITH SQUARE LENS	LED STRIP	TRI-LEVEL MOTION SENSOR LED STRIP	SMART LED STRIP
						
Main Selling Features		Classic round lens design with an economical price point. Slim housing makes it ideal for installation in tight spaces.	Featuring a sleek and modern design, this square lensed slim strip offers high-performance light output without sacrificing smooth and uniform lighting.	Versatile LED strips designed to deliver efficient and high impact illumination. Whether for retrofit or new construction, it's the ideal choice for a variety of commercial and industrial applications.	Integrated tri-level microwave or PIR motion sensor that regulates light levels according to the occupancy of a space. Prevent energy loss and increase energy savings!	Designed to deliver efficient and high impact illumination, these luminaires feature integrated Bluetooth® Mesh technology and seamlessly connect with the Genio control system and mobile app.
