LED LAMPS
Filament

The LED filament lamps distinguish themselves by their look, their character and by the atmosphere they produce when lit up. They can be the final touch to an edgy bar, or create a romantic ambiance in your home. Just choose your perfect fit in our extensive line of carefuly curated LED filament lamps.

2 *yrs* **warranty**

■ Traditional Look

Standard's LED filament lamps are designed to resemble traditional incandescent light bulbs with a wider selection of color temperatures.

■ Crisp Light

While maintaining the traditional look, they are offered in a selection of color temperatures that produce a crisp white light with no tinted hue.

■ Wide selection

Standard offers a complete line of high quality filament lamps, color temperatures, shapes, sizes and styles.
