

## L3PNV LED BACKLIT PANEL

More versatile than ever!  
With an impressive selection of 5  
color temperatures and 5 wattages,  
the L3PNV series is the perfect solution  
for a wide range of budget-conscious  
projects.

### ■ 5 CCT and 5 Power Selectable

Covers all CCT and power demands in one  
panel, a perfect choice to light up your space.

### ■ PMMA LED Lens

Clear individual PMMA LED lens allows  
for the creation of bright and unified  
light diffusion.

### ■ Low Profile Design

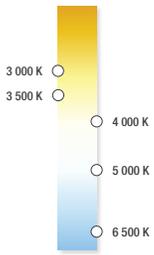

Slim trim design provides a clean, modern  
and frameless look. With less than 1.7"  
thick, it's ideal for tight plenums.
