WSL CHOICE
LED SLIM WALL PACK

The WSL includes all the options required for a wall-mounted luminaire. With its slimmer profile, this series is equipped with a photocell and benefits from the latest LED technology, allowing the user to control color temperature and wattage via integrated switches. Typical applications are security lighting over entrances, stairwells and pedestrian areas. This modern-style series is an excellent choice for any industrial or commercial application.

3 — CCT TCC — 3 000/4 000/5 000 K

W — power *selectable*

DLC LISTED PREMIUM

UL CERTIFIED

■ Color and Power Selectable

An all-in-one LED wall pack solution offering ultimate versatility, with the ability to change the color temperature (3 000/4 000/5 000 K) as well as the lumen packages to meet the needs of a variety of projects and applications. An ideal solution for reducing stocking inventory.

■ Photocell included

An on-off photocell is integrated on both models which can be easily dissabled.
■ Easy Maintenance

They offer safe and simple installation which also allows for years of little to no maintenance with an extremely cost efficient operation.

WSL CHOICE: FEATURES

- Four 1/2" conduit entries located on each sides of the luminaire

- Includes an On/Off photocell which can easily be disabled

- Prismatic tempered glass lens

3 CCT and Power Selectable switches, discretely placed inside the housing

- Die-cast aluminum housing, available in a black or bronze finish

ACCESSORY (order separately)
69725: Wireguard
