

STANPRO | **GENIO**

BUILT FOR A SMART FUTURE

OUR NEW SMART LINE

WELCOME TO THE GENIO SMART CONTROLS ECOSYSTEM WHERE INNOVATION MEETS SIMPLICITY.

Genio offers a complete smart lighting ecosystem for Indoor, Outdoor, and Emergency applications. With the easy-to-use Genio app, simply download, commission your lights, and control them individually or in groups using Bluetooth® Mesh technology.

Easy to Use – quick setup and intuitive control, all from your mobile device.

Secure System – reliable and safe, ensuring compliance with building codes.

The Smart Choice – designed for energy efficiency and smarter project performance.

WITH GENIO, YOU COMBINE EFFICIENCY, COMPLIANCE, AND SIMPLICITY IN ONE INTELLIGENT SOLUTION.
