

HRV CHOICE ROUND ECONOMIC AND HIGH PERFORMING LUMINAIRE

An economical and energy efficient LED High Bay series with a simple, yet refined design. This type of luminaire is ideal for any application such as warehouses, manufacturing facilities, sports arenas, and other large high ceiling indoor applications. The IP65 rating allows this fixture to be installed where dust and water spray may be present. Meets NEMA 4X and NSF.

■ Color and Power Selectable

CCT Selectable feature available on all configurations offering the versatility to switch between 3 color temperatures: 3 500/4 000/5 000 K. Convenient for a variety of projects and applications. An ideal solution for reducing stocking inventory

■ Integrated Smart Ready PIR Sensor

Neatly integrated in the center of the fixture, smart and non-smart PIR and High Frequency sensors are easy to install and operate

■ Emergency Back-Up Option

Designed to provide illumination during normal and emergency situations, the emergency back-up is an important component of a building's life safety system
