

L2WMG CHOICE LED Wraparound

Stanpro's L2WMG series offers a modern and attractive wraparound design and is ideal for use in a variety of commercial and residential applications, such as utility rooms, corridors, restrooms and anywhere a decorative luminaire with efficient lighting is desired.

■ 5 CCT and 3 Power Selectable

Available in both 2 ft and 4 ft lengths, with the choice of either dedicated color temperature (4 000 K) and power, or 5 colour temperature (3 000/3 500/4 000/4 500/5 000 K) and 3 power selectable.

■ Linkable or Hardwire

The linkable versions allow for row mounting multiple luminaires together without any additional wiring, for an easy and quick installation. The hardwire version features knockouts on the end caps, for when installation using conduit or row mounting with dimming is required.

■ Modern Design

Sleek and low-profile design with a frosted lens for smooth and uniform illumination.
