DUOLED HARDWIRED DRIVER AND DIMMER SWITCH

STANPRO

SPEC SHEET

FEATURES AND SPECIFICATIONS

CONSTRUCTION

Finish

- Glossy Dark Brown, Glossy Light Almond and Glossy White

ELECTRICAL

- Dimmer switch with built-in LED driver
- Converts line voltage (120 V AC) into low voltage (12 V DC / 24 V DC)
- Eliminates compatibility issues between the driver and the dimmer
- Fits in a single gang box
- Excellent dimming performance (1% -100% dimming)
- Includes voltage barrier partition to install high and low voltage circuit in the same gang box
- No need to find room to put the driver

COMPLIANCES

- cULus
- FCC
- Meets requirements of ICES-005 Class B

5 YEARS
WARRANTY

ICES
005

QUICK SHIP AND TECHNICAL SPECIFICATION TABLE

ACCESSORY*

Order Code	Model Number	Finish / Color	Master Case Qty
67073	DRIVER-DIMMER/TRIM/WH/STD	Glossy White	100

*Order separately.

- 1 DuoLED
- 1 Barrier
- 3 Switch Plate
- 4 Twisted wire connectors
- 2 Mounting Screws

INCLUDED IN THE BOX OF EVERY DUOLED

COMPATIBLE PRODUCTS

Order Code	Compatible With
68299	12 V LED Tapes
68829	24 V LED Tapes
