KATY'S DONATION DAY 2025

📅 **DECEMBER 3RD**

Every purchase is an act of kindness. Canadians Help Canadians

ABOUT KATY SHEBATH

Katy Shebath played a critical role alongside her brother, David Nathaniel, CEO of Ascot Capital, **throughout 32 years of Stanpro / Standard's journey**.

She and her legacy remain, with David, **the heart and soul of this company.**

Throughout the years, Katy remained true to herself, both at work and in her personal life, always taking time to help those in need.

WHAT IS KATY'S DONATION DAY?

In 1999, she decided to gather all of Stanpro / Standard's charitable efforts into one single day: a day when a percentage of all sales is donated to causes dear to our hearts.

Today, **over 80 Canadian organizations**, suggested by our employees and customers, benefit from this tradition every year. This initiative is now proudly named **Katy's Donation Day**, in honour of its creator and her legacy of generosity.

OUR IMPACT IN NUMBERS

Since 1999, STANDARD has donated over **$1.2 million** to charitable organizations.

Over the past 5 years, our contributions reached **$478,000**

In 2024 alone, we donated **$82,000**
