

LED Fixture 10-Year Warranty

All product installations must comply with the warranty document.

STANDARD Products Inc. warrants STANDARD's product to be free from defects in material and workmanship and to operate from the date of manufacturing for the specified time period and subject to all Terms and Conditions stipulated below.

Seller warrants that the Product, when delivered in new condition and in its original packaging, will be free of defects in material and workmanship for a period of the first five (5) YEARS and further **five (5) pro-rated years from the date of original purchase (refer to pro-rated calculation table for further information). The determination of whether the Product is defective shall be made by Seller at its sole discretion with consideration given to the overall performance of the Product.

A Product shall not be considered defective solely as a result of the failure of individual LEDs. The product will be classified as defective once more than 10% of LEDs have failed to emit light. If Seller determines the Product is defective, Seller will elect, at its sole discretion, to refund the purchase price of the Product at the pro-rated price as identified in the table, to repair the Product or replace the Product with equivalent Product.
