Garage and Canopy	5 years from date of purchase <sup>1</sup>

### WARRANTY CLAIMS

In order to make a claim you must retain the failed product(s) and contact your STANDARD sales or inside sales representative within 30 days of the failure. This warranty extends only to STANDARD distributors. STANDARD Products Inc. will honor valid warranty claims made by an authorized STANDARD distributor for the remedy set forth above as a result of warranty claims made to the said distributor by its customer.

### TERMS AND CONDITIONS

The product must be stored, installed and operated under suitable environmental conditions and in accordance with, but not limited to, the latest National Electrical Code, cULus, CSA, and ANSI specifications. This warranty will be voided if conditions demonstrate abnormal use or stress, such as operating in excess of maximum rated temperatures, under/over voltage conditions, excessive switching cycles or operating hours, or improper installation.

This warranty is void if the luminaire is not used for the purpose for which the luminaire is manufactured.

This warranty does not apply to failures caused by acts of GOD.

The above mentioned warranty applies only to direct purchases from STANDARD Products Inc. or from an authorized STANDARD Products Inc. distributor.

STANDARD Products Inc.'s Limited Warranty shall be the sole and exclusive remedy of the purchaser and STANDARD Products Inc.'s sole liability to the purchaser. NO WARRANTY OF FITNESS FOR ANY SPECIFIC OR PARTICULAR PURPOSE IS MADE OR TO BE IMPLIED. NO OTHER WARRANTY APPLIES.

STANDARD, will not, under any circumstance, whether as a result of breach of contract or warranty, tort, or otherwise, be liable for any costs or damages, including, but not limited to, lost profits or revenues, incidental, special or consequential damages.

No distributor, salesperson, dealer, retailer or other representative has the authority to change or modify this warranty, either verbally or in writing, in any respect.

STANDARD Products Inc. reserves the right to examine the failed product(s) to determine the cause of failure and patterns of usage. STANDARD Products Inc. also reserves the right to be the sole judge as to whether the product is defective and covered under this warranty.

Subject to change without notice.

*\*On condition that the operating ambient temperature is in accordance with product specifications and use time is below 12 hours per day.*

## LED Outdoor Luminaires

---

- <sup>1</sup>- Before installation confirm luminaire is the correct rated voltage for application.
- During installation do not damage luminaire with drill or external impact.
- Do not expose luminaire directly to high heat.
- Do not install in areas where flooding may occur.
- Do not clean or expose the luminaire to detergent, chemical cleaners or pesticides.
- Upon completion of installation, ensure the luminaire is tight and secure.
- Turn power off when disassembling.
- Do not exchange LED module or other components in luminaire.
- Not compatible with dimming controllers/emergency fixture and sensor lighting.
- Do not operate the fixture where ambient temperature is over 45°C or confined spaces. This is a fire hazard.
- Do not install luminaire in applications where high vibrations or external shock are present.
- Do not operate luminaire in areas where wind speed reaches over 60 M/H.
- Do not install/operate luminaire in areas where salt content in the air and soil could cause the luminaire to corrode.
- Do not install luminaire in areas where corrosive substances are present.
- Do not install luminaire in areas where organic debris can accumulate on luminaire (example: fallen leaves, insects).
- Do not install luminaire upside down as the heat may cause components to fail.
