

STANDARD Products Inc. warrants STANDARD's product to be free from defects in material and workmanship and to operate from the date of manufacturing for the specified time period and subject to all Terms and Conditions stipulated below.

Should any defects be found, STANDARD products Inc. will, at its discretion, either repair or replace the defective part or parts or else make available a new replacement unit that will provide equal or better performance.

Product is compliant with the Terms and Conditions set forth below. No reimbursement for labour is made for the product's replacement.

Shades	--	2 years from date of purchase

WARRANTY CLAIMS

In order to make a claim you must retain the failed product(s) and contact your STANDARD sales or inside sales representative within 30 days of the failure. This warranty extends only to STANDARD distributors. STANDARD Products Inc. will honor valid warranty claims made by an authorized STANDARD distributor for the remedy set forth above as a result of warranty claims made to the said distributor by its customer.

TERMS AND CONDITIONS

The product must be stored, installed and operated under suitable environmental conditions and in accordance with, but not limited to, the latest National Electrical Code, cULus, CSA, ETL and ANSI specifications.

This warranty will be voided if conditions demonstrate abnormal use or stress, such as operating in excess of maximum rated temperatures, under/over voltage conditions, excessive switching cycles or operating hours, or improper installation.

This warranty is void if the product is not used for the purpose for which it is manufactured.

This warranty does not apply to failures caused by acts of GOD.

The above mentioned warranty applies only to direct purchases from STANDARD Products Inc. or from an authorized STANDARD Products Inc. distributor.

STANDARD Products Inc.'s LED LUMINAIRE Limited Warranty shall be the sole and exclusive remedy of the purchaser and STANDARD Products Inc.'s sole liability to the purchaser. NO WARRANTY OF FITNESS FOR ANY SPECIFIC OR PARTICULAR PURPOSE IS MADE OR TO BE IMPLIED. NO OTHER WARRANTY APPLIES.

STANDARD, will not, under any circumstance, whether as a result of breach of contract or warranty, tort, or otherwise, be liable for any costs or damages, including, but not limited to, lost profits or revenues, incidental, special or consequential damages.

No distributor, salesperson, dealer, retailer or other representative has the authority to change or modify this warranty, either verbally or in writing, in any respect.

STANDARD Products Inc. reserves the right to examine the failed product(s) to determine the cause of failure and patterns of usage. STANDARD Products Inc. also reserves the right to be the sole judge as to whether the product is defective and covered under this warranty.

Subject to change without notice.

See notes on following page

¹ Cable/Hook/Stem Mount: -35°C to 55°C (-31°F to 131°F)
Surface mount: -35°C to 50°C (-31°F to 122°F)

² Exceptions:

For 63298 to 63305, on condition that operation temperature is -10°C to 40°C (44°F to 104°F) and use time is below 12 hours per day

For 66710 to 66712, operating temperature -20°C to 40°C (-4°F to 104°F)

67068, operating temperature -30°C to 45°C (-22°F to 113°F)
