

DIE CAST ALUMINUM LED COMBINATION EXIT SERIES

Approvals:
CSA Certified to C22.2 #141.15 and C860

Project: _____

Contractor: _____

DESCRIPTION

The SPEXQ series of commercial decorative die cast aluminum combination exit signs is the perfect match of aesthetics and durability. Its unique new design provides spec-grade die cast Exit signs with LED emergency lights in a low-profile frame and a spec-grade curved faceplate. The series has been designed with ultra bright, energy efficient, long-lasting red LED lamps for the exit sign and ultra bright white LED lamps in the emergency lighting heads. Faceplates have a quick-snap closure for ease of installation. Suitable for damp locations.

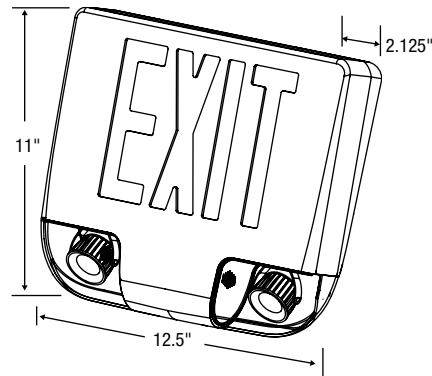

CIRCUITRY

- LED ultra bright light source
- 120/347VAC Input, field selectable
- High-performance 8.4V, 1.6 AH Ni-Cad batteries
- 90 minutes emergency power duration
